- Self-Assessment

Communication

Any harm to the student?

Yes

1. Contact and/or refer to HCP for orders/medical evaluation.
2. Contact Lead District Nurse.
3. Consult with State Nurse Consultant as advisory, if no lead nurse.
4. Contact Parent.
5. Notify Principal.
6. Proceed to External Reporting & follow recommendations.

Contact Poison Control, if appropriate

No

1. Notify Parent.
2. Contact Lead District Nurse.
3. Notify Principal.
4. Consider use of ECET based on error details.

Complete Medication Error/ Variance Report.

External Reporting

Utilize SC BON ECET as guidance document for evaluation of error .

Proceed with ECET recommendations.

SCAN ME

Medication Error Definition-
Any **preventable** event that may cause or lead to inappropriate medication use or student harm while the medication is in the control of a healthcare provider, patient, parent or consumer.
