* Prior year audited financial data available.

CHARTER SCHOOLS IN DISTRICT

School Name	Absolute Rating	Growth Rating	Adequate Yearly Progress
There are no charter schools in this district.			

REPORT OF SUPERINTENDENT

Marion School District Two serves the educational needs of over 2,100 students in a population base of 13,000 residents. Located in a small rural area of the Pee Dee, the district operates four schools on five sites with 150 teachers. Approximately 80 percent of our students qualify for free or reduced lunch. Over 40 percent of the families live below the poverty level and have a taxable income of less than eight thousand dollars. Marion County continues to rank near the top in the state in unemployment.

With grade restructuring, students remain in schools over a greater grade span and schools are able to learn the students better and focus on specific student needs. This has allowed for greater vertical articulation and fewer student transitions. With the computerized MAP tests, teachers are able to know, within days of administration, specific student deficiencies and they are then able to design curriculum and instruction to meet individual needs.

The utilization of after school programs and Title One support programs were effective in the increase gains made in the achievement of the students. Mullins High School continues to show increased improvement in the SAT scores and the graduation rate.

All district schools have had campus security and vulnerability assessments conducted; feedback from reports helps determine the avenue each school needs to take to make their learning environment safe and secure. School administrators have received training in developing Crisis Response Teams within their school so that emergencies can be handled as efficiently as possible.

Marion School District Two enjoys a healthy partnership with several businesses in the community. These partnerships have been forged in the areas of financial support, mentoring, community forums, and participation and services in kind. We appreciate our community and its involvement.

The main focus of the Marion School District Two's Board of Trustees is to foster the development of a well-rounded individual that will someday become a productive citizen and community member. The board recognizes that this can only be accomplished through the support of our community as well as our legislative delegation.

Nathaniel Miller, Ph.D., Superintendent
