REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Washington Street Elementary School is a Title I school that continues to demonstrate a commitment to the highest standards of student achievement. With our dedication to the improvement of instruction through ongoing professional development, our staff strives to provide quality instruction to our students by participating in a variety of staff and professional development opportunities.

Our English/Language Arts instruction continues to receive a positive boost as our teachers and students participate in the federally funded Reading First Grant. The grant provides our teachers with high quality professional development in best practices for ELA instruction. Student progress is monitored through a variety of assessments, with classroom, individualized and small-group instruction adjusted based upon the strengths and needs of the students.

Math, science, and social studies instructional methods are also targeted for continuous improvement as our teachers receive on-going training through district sponsored professional development in best practices for these core subject areas.

Parental and community involvement remain a priority, and with the addition of a parent liaison this year, opportunities for interaction between all stakeholders at the school have increased. Math, Reading, and PACT Family Nights, Annual Field Day, parent/teacher conference days, and Open House continue to be important events for all stakeholders to work for the improvement of our school. The addition of a Student Talent Showcase and the Master and Miss Washington Street Elementary programs provide the school community with new opportunities to support our students and school.

Working together, we continue to strive for success at Washington Street Elementary School. This effort requires the involvement of all of our stakeholders and is included in our school mission, "United as we strive for excellence in learning and character." Moreover, our commitment to improvement, respect for our stakeholders and community, as well as the drive for the highest achievement for our students is evident in our school motto, "We Strive for Excellence!"
