REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Latta Elementary School, serving 2nd – 5th grades, is respected throughout the Pee Dee area for the quality of education provided to children in this community.

Special opportunities offered to students at Latta Elementary include a well-established speech program and special education. Our media center offers publishing opportunities, research guidance, and materials that meet the needs of a wide range of literacy levels. The media center also houses our morning WVIK-Kid News program. Computers and printers are in every classroom, and two computer labs are set up for student use with a wide variety of educational software, student email accounts and supervised Internet access. Each classroom is equipped with a VISTA system and LightSPEED microphones. Along with each professional staff member having their own laptop, scanners and digital cameras are available for use as well.

We have an energetic and committed, highly-qualified staff who continues growth through courses, seminars, and workshops. Our schedule allows for teachers to have a school-wide planning period, providing further opportunity for professional development. Our schedule allows for daily focus group periods in which all teachers focus on specific weaknesses (as identified by the Measures of Academic Progress assessment) in math, reading, and language usage.

Special events occur throughout the year to recognize students for good behavior and academic success. Our community support continues in our donations to the American Heart Association and March of Dimes.

Latta Elementary School fulfills the beliefs of providing a quality education for all children and creating a lifelong community of learners.
