REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Once upon a time, you would have heard discussion about "old" Pee Dee and "new" Pee Dee. Now we are just BIG Pee Dee Elementary as we added over 100 students and have become the largest elementary school in the Conway area. How proud we were to share the legacy of the past 50 years and the 5 historical areas that came together to make Pee Dee Elementary have that bit of honey! Our School Improvement Council was very active and met regularly to support all school initiatives. Family dinners, movies and popcorn, fall festival, donuts, muffins, and goodies were but a few of the opportunities to welcome families. Volunteers doubled. Lottery funds made the addition of a tutorial teacher working with grades 3-5 a reality along with the full operation of our second computer lab. Title I funds allowed our school to benefit from having Reading Recovery teachers, a primary curriculum specialist, a technology aide, and the family school coordinator and more opportunities to support parenting events. Tutoring took place before, during, and after the school day. PTA supported us with a new amplifier system and additional playground equipment.

Our teachers participated in a TeachFirst initiative that established our work as professional learning communities. Vocabulary growth and fluency were two main strategies addressed in these teacher-led groups focusing on fitting instruction to the needs of our students. Student progress and growth was followed closely this year through the use of the Measures of Academic Progress (MAP) test given to students in grades kindergarten through fifth. Our kindergarten, child development, and special education paraprofessionals supported small group instruction for our students. First grade teachers participated in graduate work sponsored through a foundation grant with Coastal Carolina University. Professional development included regional conferences in Charleston and Texas. Our curriculum specialists met with teachers regularly to analyze student data and to share instructional ideas. Science instruction was done daily and utilized hands-on, experiment-oriented kits for key standards. Social Studies content was presented daily and often flowed into reading units. Several of our teachers participated in a Civil Rights tour through the summer.

Our teachers and students added to a long list of accomplishments, such as participating in Jump Rope for Heart and March of Dimes, and came in 2nd in the state with over \$19,000 in donations. Our chorus performed at Carowinds, earning a superior rating this year. In art, 15 students won various awards in the Junior Duck Stamp Contest. Fifth graders enjoyed ballroom dancing (a beginning to a tradition). Our primary students enjoyed a visit from Lester Laminack, an author who encouraged us all to find writing ideas in everyday events. Preschool story time welcomed some pre-Pee Dee folks. Second graders wowed us with their "This is America!" performance. Honey Money promoted "bee" ready, responsible and respectful behavior in our classrooms, in the halls, and anywhere on campus. Treasure Tower coins were given out weekly to help highlight good behavior. The year was indeed memorable!
