## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2007-2008 school year at HPMS was an exciting year with continued growth. The students performed well academically, and the HPMS community worked together to accomplish many successes. Nine of our 8th grade students were recognized as SC Junior Scholars. Twenty-three seventh grade students participated in the Duke TIP program. An eighth grader was the Honea Path Middle School Spelling Bee winner and the HPMS representative at the Anderson County Spelling Bee; Students in grades 5-8 received two gold certificates and seven silver certificates at the AOP Regional Science Fair. Five students participated in the Science Olympiads, placing 8th overall. Students in grades 5-8 participated in a number of service activities totaling 17,436 hours of service. Two hundred eighty-four students received the Presidential Award for Service Learning: 60 received the gold award, 122 received the silver award, and 102 received the bronze award. HPMS's 2007-2008 Teacher of the Year was Mrs. Robin Ritland, and Mrs. Beth Cannon was selected to serve as HPMS Teacher of the Year for 2008-2009.

The staff has been busy with the improvement of instruction as we begin our eleventh year as a Standards Based Curriculum School. Our goal of maintaining and improving our standardized test scores will be addressed in a variety of ways, including a 21st Century Grant that enables us to provide an After-School Program, PLATO and NCS Learn Lab (computer lab) programs that continue to help improve academic skills, and technology upgrades, including Promethean Boards that aid in classroom instruction.

We appreciate the support of our PTO, School Improvement Council, and Business Partner. The PTO held fundraisers to purchase student supplies and assisted in numerous school activities. We salute our parents, local industry, businesses, and community, and we thank them for their continued support. Together, we are building a brighter future and opening the door for a new century of progress.
