## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Green Sea Floyds High School class of 2008 had 59 graduates, with 22% planning to attend a four-year college, 48% planning to attend a two-year college, 12% joining the armed forces, and 18% seeking immediate employment. The class had a National Merit Finalist and the S.C. Wendy's Heisman award winner.

The teachers at Green Sea Floyds Middle & High School depend heavily on Measures of Academic Progress (MAP) scores to target specific needs of students. Individualized academic plans are written to address the strengths and weaknesses of each student. All 9th and 10th grade students are scheduled into year-long English and math in an effort to better prepare them for the High School Assessment Program (HSAP). This additional time allows them to hopefully learn the skills necessary to pass all parts of the exit exam on the first testing session. The middle school students strive to reach the advanced level of the Palmetto Achievement Challenge Test (PACT) during their middle school years.

Reducing dropouts, increasing student attendance, scoring above the national average on the SAT, working to make sure all students graduate on time, and preparing all students for the workplace and/or post-secondary education are continuous goals of Green Sea Floyds Middle & High School.

The athletic teams had a successful year and brought much excitement to the community. The girls tennis team won the lower state championship and the football team had a successful year making the playoffs. Basketball, cross country, track, softball, baseball, boys tennis, and the cheerleaders were successful as well. Many athletes were named to Academic All-State and others received additional academic and athletic awards.

The community, staff, students, and administration worked hard to make 2007-2008 a successful year. Everyone looks forward to performing even better in the 2008-2009 school year.
