REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

After completing the 2007-2008 school year, we are pleased to report the many successes and achievements of Myrtle Beach Middle School in the areas of academics, athletics, and extracurricular and community service activities. Literacy continues to be a major focus at Myrtle Beach Middle. Our ongoing partnership with Literacy First, along with our continued implementation of Monitored Independent Reading Practice (MIRP), shows our school-wide commitment to helping develop our students to become independent readers and thinkers. Our business community has provided ongoing support for our efforts and we applaud their involvement with our school.

Myrtle Beach Middle received awards and accolades in the following areas: forty-one eighth grade South Carolina Junior Scholars, 15 eighth grade Explore Scholars, three seventh grade Duke TIP Scholars, six John Hopkins CTY Scholars, 115 students received high school credit for Algebra I (49 of whom were seventh graders), 24 students received high school credit for Geometry, 122 students passed the keyboarding proficiency test for one-half unit of high school credit. The fine arts program, with over 300 students participating in band, chorus, orchestra, and winter guard, stood head and shoulders above the rest and received superior ratings at district, state, and regional competitions.

The Myrtle Beach Middle School athletic teams continued their long tradition of success. Boys' football and basketball lead the district in winning seasons. Several students made their mark on the Junior Varsity and Varsity athletic teams in the areas of baseball, cross-country, soccer, softball, tennis, and track and field. Our young Seahawk athletes are the ones to watch in the future!

At Myrtle Beach Middle, we try to provide a number of extracurricular activities for our students and did so by offering several clubs for students to participate in after school. These included Math Counts teams, Student Council, Writer's Club, and Ambassadors Group. Myrtle Beach Middle's faculty and staff provided support in helping these programs to be successful.

We continued our commitment to service learning. Several projects in our school and community, including recycling, Susan B. Komen Breast Cancer Foundation, American Heart Association, Leukemia and Lymphoma Society, Muscular Dystrophy Association, Holiday Angel Fund, School-wide Recycling Campaign, and other worthy causes, were recipients of goods, services, and monetary contributions. In all, our students raised over \$3300 to help support these charities.

Myrtle Beach Middle School is dedicated to helping each child be successful in and out of the classroom. Our dedicated team of faculty, staff, parents, and community members share a common goal of helping each child achieve their personal best.
