## REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

Barnwell County Career Center (BCCC) is one of eleven multi-district centers in South Carolina. BCCC serves students from Barnwell School Districts 19, 29, and 45. BCCC had an enrollment of 501 students enrolled in thirteen career programs in the fall of 2008.

Students were involved in School-to-Work Activities. Activities included shadowing, cooperative education, and clinicals in 25 different businesses and industries in the local area. Additionally, students at BCCC participated in Work Based Learning through our School Based Enterprise as well as Shadowing in local business establishments.

Forty-four students were inducted into the National Technical Honor Society. Students were involved in a variety of organizations, such as, SkillsUSA, HOSA, DECA, FFA, and FCCLA. Membership in these organizations allows students to participate in regional, state, and national competitions in their programs of study. Five students participated in this year's SkillsUSA competition in Greenville, SC, where one student finished second in Architectural Drafting and another qualified as one of the final twelve welders in the competition. Nineteen students participated in the State HOSA Competition in Charleston, SC. Eleven students placed 5th in their respective competitions at the convention.

For the first time, students at BCCC were able to take advantage of dual enrollment opportunities in conjunction with Orangeburg-Calhoun Technical College. Forty-two students received dual credit in four different programs. These programs were: Automotive Technology, Electricity, Health Science Technology, and Welding.

The FFA chapter at BCCC continues to be involved in many community projects. They attended many state FFA events and have been successful in winning numerous awards with respect to these events. Our local chapter again held the 2nd Annual FFA High School Rodeo in which over 1000 people attended and was profitable to the chapter. Additionally, the Agriculture instructor was named the Lower State Region Outstanding Teacher for the South Carolina Association of Agricultural Educators and served as SCAAE Lower State Vice-President.

BCCC had a total of 123 students from the three district high schools who completed training at the center. Of the 2008 Career and Technology completers eligible for placement 97.4% were placed in secondary programs, the military, or gainful employment.
