REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Merriwether Elementary is challenged daily with an enrollment of approximately 750 students. Our goal is to make a difference in the lives of our students through meeting the needs of the total child. We continually focus on the academic challenges as well as the social, emotional, physical, and developmental issues confronting elementary-aged students. Through active Character Education and career awareness programs, our students learn beneficial life skills necessary to function in society.

We are a standards-based school that believes in Saxon Math and Phonics programs that have continually proven to meet the fundamental needs of our students. Our fifth year with MAP (Measures of Academic Progress) testing has been beneficial to teachers, parents, and students. This is the second year we have tested both kindergarten and first grade students. Our implementation of focus groups (MAP Clubs) in grades 2-5 based on diagnostic information provided more specific individualized instructional opportunities for teachers. Hopefully this correlates with students successfully mastering the South Carolina education standards, preparing them for their next challenge.

In conclusion, our educational focus and goals have remained constant. Our dedicated faculty and staff, actively supported by our parents, grandparents, and community, continue to allow us to fulfill our school motto of "Making a Difference." Thanks for the memories.

Chuck Fletcher, SIC Chair
