SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

York Comprehensive High School continued to move toward excellence using the High Schools that Work Model for improvement. College Entrance exams scores improved to an all-time high, Advanced Placement passage rates exceeded state and national averages, and high school exit exam and graduation rates were among the highest in the county. Our students excelled in academics, athletics, band, chorus, NJROTC, art, and other extracurricular activities.

We are proud of the success of our students and very thankful for the strong, unified support we received from our parents and community. This support is evidenced by the current construction of a new high school to include a performing arts center, athletic complex, and technology center for grades 9-12. Construction is well under way, with occupancy expected for fall 2010.

The class of 2009 set the pace for high levels of academic achievement. Two seniors received state academic honor awards and thirty-four seniors were honor graduates. Ten students were Palmetto Fellows. One hundred eighty-one students were potential Life Scholarship recipients. One hundred seventeen seniors received a Diploma with Distinction. For the twelfth consecutive year, our NJROTC was recognized as a Distinguished Unit. National and state recognition was awarded to seven world language students. Thirteen students participated in All-State Chorus. Our goal of creating a "college going" culture is being met, with over \$3 million being offered in scholarships and many seniors planning to go to college.

YCHS' faculty is 100% highly qualified and 81% have a masters degree or higher. Teachers provided a well-rounded curriculum that was aligned with the SC standards. A curriculum framework was developed which included individual graduation plans. Students were provided an adult mentor thru "PRIDE," a new advisor/advisee program. Professional development focused on use of new technology, including "Promethean Boards," literacy, and understanding student needs. Credit recovery was offered before, during, and after school. Sophomores were administered the PLAN and PSAT. Juniors were offered ASVAB, Compass, and PSAT. Strategies were implemented to improve HSAP, EOC, and SAT/ACT scores. Incentive programs were conducted to recognize students and staff for academic, attendance, and other successes. The school was made safer by continuing use of random drug dog searches.

We are confident that YCHS will continue to provide a quality education for all students. We are committed to continuous improvement toward excellence. Please visit our website for additional information. www.york.k12.sc.us.
