REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Forest Circle Middle School continues to be on a path of continuous improvement. Administrators, teachers, students, parents, and community members are working together to develop new ideas and strategies for increased student achievement and to improve the overall school environment. Our teachers and administrators have increased staff development opportunities and continue to focus on analyzing data to drive instruction.

Our report card data, MAP data, and benchmark test data continue to show improvements in math, science, social studies, and ELA. During the 2008-2009 school year, our students, teachers, and school leadership team have been focused on developing and implementing our Focused School Renewal Plan (FSRP). All of the goals stated in our FSRP have been met.

Forest Circle Middle School has purchased much-needed technology and educational resources. Consequently, this has helped our faculty enhance and implement new teaching strategies. Smartboards have been installed in all academic classrooms, and our teachers have received several levels of Smartboard training. Our school leadership team and teachers are analyzing student data weekly to determine specific needs to improve student achievement. We also continue to encourage students to read by conducting an Accelerated Reading program daily. Our teachers have worked hard to improve parent communication by increasing the number of parent conferences, e-mails, and phone calls to parents about grades and discipline. Forest Circle Middle School continues to implement a Behavior Intervention Class (BIC) to help reduce the number of student discipline referrals.

Our goal at Forest Circle Middle School is to continue as a place where students learn, grow, and succeed as we accomplish our mission, "Soaring to New Heights." Our faculty, School Improvement Council, and administration are committed to this challenge.
