Report of Principal and School Improvement Council

South Conway Elementary School had an excellent 2009-2010 school year. Our school provided opportunities for students to participate in service-learning projects such as the American Cancer Society's Relay for Life, the Salvation Army's canned food drive, and the American Heart Association's Jump Rope for Heart. We implemented a 21st Century Learning Grant for the second year providing students in grades 3-5 free after-school programs in dance, drama, technology, hands-on science instruction, horseback riding, and homework assistance. Incentives and recognition programs were established to encourage students to do their personal best in all academic and character areas.

An RTI model was implemented that provided students with interventions based upon their academic needs. Our Reading Recovery program discontinued 37 first grade students at an 88% discontinuation rate. Teacher/student and parent conferences were held throughout the year to discuss student achievement goals and the progress made toward those goals.

Our PTO sponsored successful fundraising activities and student-led programs to encourage parent involvement and also provided all classrooms with supplies. Our Title I budget supported additional technology including computers and SmartBoards, a Reading Recovery teacher, a Family School Coordinator, parent workshops, and an additional fourth grade teacher to lower teacher to student ratios. Many local businesses provided awards and incentives for student achievements. We continued to partner with Coastal Carolina University to sponsor mentors for students and to provide practicum and intern opportunities for future students. South Conway Elementary is proud of this year's many successes.
