Report of Principal and School Improvement Council

As the oldest school in Rock Hill School District Three, Ebenezer Avenue Elementary will celebrate its 90th year of working together with students, home, and the community to ensure that all Ebenezer Avenue students have the skills, knowledge, and desire to become lifelong learners and succeed in a changing world. We can proudly say that many of our alumni have gone on to make our mission a reality.

As a proud part of this community, we have a rich heritage and reputation for excellent academic achievement, safety, and parental involvement. At Ebenezer Avenue Elementary School, we take great pride in our accomplishments. Our school is a Flagship School of Promise, Red Carpet School and, yet again, Palmetto Silver Award Winner. As always, the aims and goals of Ebenezer Avenue Elementary are focused on the growth and achievement of every child. We will be differentiating teaching strategies and using new tools targeted for each learning style and intelligence of our students. Teachers will take inventories which will reveal each teacher's unique combination of teaching style elements. These inventories will assist teachers with rearranging the learning environment to get better results, and help match the specific needs of students and their teachers during the learning process. Parents will also receive their child's learning style inventory results coupled with an in depth explanation on how best their child learns.

During the 2009-2010 school year, the PTO and SIC met on a regular basis and contributed to the successes of our students. PTO projects included fundraisers, teacher appreciation week, and a special evening at the York County Museum. PTO also assisted with funding of field trips, teacher grants, and numerous parental involvement activities. Students enjoyed taking field trips to Brattonsville, Caroll School, Museum of York County, Winthrop University, Charleston, SC, and Washington, DC. Students had the opportunity to participate in the following programs: Fundamental Friday, Morning TV Show, Character Hall of Fame, Red Ribbon Week, Terrific Kids, STAR Mentoring Program, Student Council, Safety Patrol, Recycling Program, Daily Computer Lab, and Birthday Luncheon with the Principal. Students in grades 4-5 were given the opportunity to participate in a student-led drama club production of Alice in Wonderland. This endeavor was a huge success. During the 2010-2011 school year, we look forward to providing the opportunity for each student to choose from a variety of clubs to be involved in.

South Carolina Curriculum Standards continue to serve as the blueprint for all classroom instruction. By focusing on the standards for their grade level, teachers were able to provide effective instruction and promote literacy and writing across the language arts, math, science, and social studies curriculum areas. Faculty members worked especially hard on designing math assessment items that were written to promote rigor and model real-world application.

Ebenezer Avenue Elementary School is a great place to learn, to achieve, and to succeed! Come celebrate 90 years with us as we focus on academic achievement, safety, and enrichment for ALL children, and parental/community involvement!
