Report of Principal and School Improvement Council

At York Road Elementary School, we have placed a great emphasis on Literacy and Math instruction. Having completed curriculum maps over the past few years, complete implementation of our literacy Expectation guide is in place. In addition, this year we have fully implemented the new District Math Expectation Guide, which includes an emphasis on the math workshop approach. These efforts have helped to strengthen our academic program.

The school continues to maintain a strong relationship with Northwestern High School by working with their Teacher Cadet program. Students from the Applied Technology Center's aspiring preschool teacher's program work with our students on a weekly basis. We also maintain relationships with the University of South Carolina Upstate and Winthrop University, housing numerous teacher interns from these institutions.

In addition to the Literacy Expectation Guide, all York Road Students are assessed at least two times per year using the Fountis and Pinnell diagnostic reading assessment. These scores help our teachers determine the reading levels of all students in order to direct instruction to the students' individual needs.

York Road maintains a very strong PTA which works tirelessly to raise funds for important school supplies and projects, as well as support the school in many other areas.
