REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Marrington Elementary is proud to serve PreK through 5th grade children on the Naval Weapon Station in Goose Creek. As a public school in Berkeley County, Marrington Elementary continues to offer students many and varied opportunities to meet our high academic standards as well as character building and physical activity. Programs offered include chorus, "Move with Marrington," Character Virtue of the Month, SuccessMaker computer tutorial, and various PTO-sponsored family activities. Gifted and Talented instruction is available for qualifying students in third, fourth, and fifth grades. Marrington Elementary has been recognized by the SC Education Oversight Committee for outstanding PASS test results at the Silver Award level for the 2009-2010 school year. This honor has been awarded over the past five school years and recognized eight consecutive years for closing the achievement gap.

The instructional program at Marrington Elementary is enhanced through SuccessMaker, Accelerated Reading and tutorial classes. Marrington has two up-to-date computer labs, a fulltime manager, and computers and SMARTBoards in all core classrooms. All classrooms are equipped with internet access. This provides opportunities for classrooms to use educational resources available through video streaming.

Marrington Elementary has an active volunteer program. A newly-designed and fully-equipped workroom provides a designated space for volunteers to accomplish tasks to support our teachers and students. The PTO and School Improvement Council meet monthly to assist and guide efforts to continuously improve our services to our students and our community.

Marrington is proud of its accomplishments as a professional teaching community. Strong credentials set the faculty apart, with two doctorate degrees, fourteen Master's degrees, and six National Board Certified teachers working with our students daily. The collaborative effort of the administration, faculty, staff, PTO, School Improvement Council, parents, and community assures that we will challenge and empower our students to be successful in a highly-competitive world.
