REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The entire Briggs community is to be commended for their initiative, dedication, and hard work during the 2009-10 school year. We pride ourselves on the philosophy of meeting the needs of all of our students. Making a difference with each individual student is our main emphasis. Our school-wide efforts continue to be directed toward established goals that are aligned to Florence School District One. "Excellence Through Effort" was our yearly theme. Students and staff members participated in several service-learning projects that benefited local, national and international organizations.

We are extremely proud of the following:

- Significant improvement in the number of students scoring Met and Exemplary on PASS.
- ImPACT and Effective Schools Plans implemented to address state standards utilizing data from MAP, Tests for Higher Standards and COMPASS assessment tools that identify specific areas of need for each child.
- School-wide commitment to early literacy evidenced through our LEAP Lab and Writing Teacher.
- Vigorous commitment to technology noted by the allocation of notebook computers, LCD projectors, Smartboards, ELMOs and several software programs (United Streaming, Brain Pop, etc.) to all teachers with wireless access throughout our building.
- Continued accreditation through the Southern Association of Colleges and Schools.
- Arts as Basic Curriculum Grant awarded by the South Carolina Arts Commission to infuse the arts across the curriculum.

The Briggs Association of Parents and Teachers and the School Improvement Council work in concert to continue to support outstanding work at our school. Their mini grants fund many teacher initiated, enrichment activities and our first ever "Taste of Briggs" was a huge community success.

Our entire school community continues to work together to ensure that Briggs remains a wonderful place to grow and be challenged.
