REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Plain Elementary is to prepare students to become lifelong learners and responsible, productive citizens. All children engage in a rigorous, standards based instructional program in a climate that fosters tolerance and diversity. The many accomplishments this year reflect our motivation to remain positively committed to excellence.

Our staff, School Improvement Council (SIC), PTA, community members, and students developed a vision to guide us toward our school goals. Students and teachers set individual performance goals in reading and mathematics as we continued implementation of the Baldrige model, a data driven process for growth and continuous improvement. School-wide data reflects solid growth in all academic areas. A morning math program is established to provide support for struggling math students. To ensure a safer environment, we continued to enhance dismissal procedures and improved the condition of the playground. We also conducted a school-wide Lap-a-thon to begin raising funds for the purpose of resurfacing our track. As a result, we were recognized with a Safe Schools Award by Upstate Safe Kids. Home-school communication was enhanced through weekly phone messages from the principal or PTA members, updated teacher websites, weekly progress reports and updates sent electronically to parents, articles in the local newspaper, and publication of a monthly school newsletter. With assistance from PTA, our fine arts team provided students with artist in residencies in music, art, and physical education. We continued to integrate technology by establishing an additional computer lab and ensuring that all classrooms were equipped with interactive white boards to active engaged children in learning.

Parental and community involvement is integral to our success. The PTA and School Improvement Council (SIC) are involved in decision making programs, initiatives, and expenditures. Over 62,000 volunteer hours were logged this year with parents and community members serving as mentors, tutors, guest speakers, and classroom support. Business partners and community members adopted classes to assist with classroom needs.

We are proud of our accomplishments and will continue to make decisions that are in the best interest of all children. We are "Positively Committed to Excellence!"

Debbie Mihalic, Principal
Michelle Yates, SIC Chairperson
