SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

In August of 2009, the new Jonesville Elementary/Middle School opened its doors to an eager group of students, parents, and teachers. We are grateful to the Union County Board of Trustees, the District Administration, and the community at large for their continued efforts to provide our students with a quality education within a top-notch facility.

Jonesville Elementary/Middle School's mission is to provide all students with the best education possible. This mission is achieved through quality instruction in a safe learning environment. As a result, Jonesville Elementary/Middle School met all 19 of their objectives in order to make Adequate Yearly Progress (AYP). We attribute our success in student learning achievements to high expectations, committed and dedicated teachers, ongoing collaborations, strong parental involvement, and school/community relations.

The outstanding faculty and staff at Jonesville Elementary/Middle School understand that the academic success of our students is largely dependent upon them. As such, they worked tirelessly to provide a challenging instructional program, which is driven by the South Carolina Curriculum Standards and our school and district improvement plans. The teachers used a variety of assessments to measure students' progress this year. The results gave teachers detailed information to create individualized learning continuums for students. Based on the learning continuums, teachers were better able to differentiate their classroom instruction to meet students' academic needs. In addition, every classroom is equipped with Smart Boards and computers, which empowered teachers to engage, educate, assess, and motivate learners through interactive technology.

We are appreciative of our stakeholders for their willingness to support our shared vision in helping to meet the needs of the students, teachers, and the school. They play a vital role in the school community by supporting us as school business partners, involved PTO and School Improvement Council, and volunteers. The ongoing support and dedication is an indication of total commitment to children.
