REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

One of the primary goals of Alice Drive Middle is to produce well-rounded students who succeed both inside and outside the classroom. The school offers students advanced courses in English 1, Algebra 1, and Computer Applications for high school credit. The past school year witnessed our students achieving goals in all areas of student life, academics, athletics, service learning, and other extracurricular activities and organizations. Throughout the year, the students at ADM continued to proudly represent themselves and the school.

Academically, the students in every grade made gains in each content area of MAP testing. These gains were made possible through the hard work of students and teachers. All staff members participated in school and district professional development opportunities that focused on improving content-area instruction. In addition, many staff members attended professional development opportunities outside of those offered by our district. Outstanding achievements this year included five Duke TIP Scholar winners, ten Junior Scholars, the district winner of the State Superintendent's Writing Award, and thirty-six students qualified to take the PSAT. Alice Drive students in English 1 and Algebra 1 had a 100% End of Course passing rate.

Outside the classroom, our students continued to perform at an exemplary level. The football team won the regular season championship, and the girls' basketball team was the undefeated champion of the Mid-14 Conference. The ADM Step Team won the second annual Step Team Competition. The Sumter Evening Optimist Club recognized two students as outstanding youths in the Sumter area. ADMS Student Council received the Honor Council Goal Certificate Award, the Project Award for Recognition-ADMS Homecoming, and the Project Award for School Service-ADMS Health Fair. Our Advanced Band participated in the SC Middle School Concert Festival, receiving an overall rating of Excellent. Seventy ADM students participated at the SC Band Directors Association Solo and Ensemble Festival. Seven students attended SCBBA Region 5 Honor Band Directors Association Solo and Ensemble Festival, and three students were selected to audition for SCBBA All State Band. One student was selected for the South Carolina Governor's School for the Arts Summer Discovery Program. Mrs. Olivia Ortmann was one of the five finalists for South Carolina Teacher of the Year.

On behalf of the Alice Drive staff, I am pleased to announce Mrs. Cynthia Parker as our Teacher of the Year for 2010-2011. Ms. Parker is a math teacher for ADM. We are proud to have her as our school representative.
