District Superintendent's Report

Dear Parents and Citizens,

Thank you for supporting us as we partner with you to educate the children of Williston, Elko, and the surrounding area within our district. The theme this year has been "Promoting Excellence in Academics with a Commitment to Every Child". As we strive to provide a high level education for each of our boys and girls, we are determined to meet the varying needs of all of our students. To accomplish this goal, we also endeavor to establish strong, positive relationships with the students and their families. In addition, we encourage support from all of the community members because we believe it will take all of us to successfully guide our young people to reach their potential. Thank you for working together.

Our on-going district academic initiatives are showing success. Some of these include quarterly benchmark testing with instant interventions to bring students up to the expected level of achievement, credit recovery at the high school level to assist students who are falling behind, improvement in aligning the assessments to the standards we teach, enhanced use of technology, continuing with staff development provided by the curriculum coach, more communication avenues to promote parental involvement, providing parent workshops, and improvement in school wide discipline.

For our small district we provide many opportunities for extracurricular activities. Our students continue to be competitive in our region and beyond. The W-E Blue Devil football team earned the Region and Upper State championships and advanced to the State Championship for the third year. Our two tennis teams, volleyball and golf teams were Region champs. John Melton was the state champion in Class A golf which was a first for Williston. Our Band placed 3rd in the Lower State. The high school cast under the direction of Linda Alsept produced the play, "Seven Brides for Seven Brothers" which delighted the community. Kia Valentine, Fine Arts teacher at Kelly Edwards, and students performed monthly skits focusing on the history of the United States. The Middle School continued to sponsor various clubs for students and community service projects.

We are proud of our staff and students and are appreciative of your support. If I can ever be of any assistance to you, please do not hesitate to come by the office.

Your Superintendent,

Alexia C. Clamp
