Report of Principal and School Improvement Council

Hilton Head Island Elementary School is an authorized International Baccalaureate School. The Primary Years Program guides our students to become inquiring, knowledgeable and caring young people who create a better world through intercultural respect and understanding. We are making solid growth in student achievement using data to guide our instruction which has become routine practice. We are continuing International Baccalaureate training for all teachers. Our students receive second language instruction with our third, fourth and fifth grade students receiving second language instruction five days a week.

Our school year has been filled with achievement and success. These milestones were accomplished by our students, teachers, administrators & volunteers. Academic Highlights include: increased PASS improvement score to "Good", recipient of the Palmetto Silver Award for Academic Excellence, achieved 96.9% student attendance rate, enrolled six single gender classes, qualified 15.6% of our student body for the Gifted & Talented program, outperformed & exceeded exemplary state averages in Math, ELA, & Writing. We were the recipient of a 3.2 million dollar grant to implement CLIMB. (Critical Language Initiative in Mandarin in Beaufort). This immersion classroom had 27 first grade students who learned Mandarin Chinese. These students will continue with their language immersion in the second grade. Teacher Highlights: 72% of our teaching staff has advanced degrees. With the exception of our retirees, we retained our existing, trained Primary Years Program teaching staff. We implemented Power School, a grading & attendance program to help better communicate with parents/guardians. We increased security with the installation of a secure front door & Lobby Guard system. We implemented Saturday School prior to the PASS exam. We achieved 99% student participation during the Extended Learning Days program. It was a fine school year!
