Report of Principal and School Improvement Council

It was another great year at Bonner Elementary School. Our staff, students and volunteers provided an exceptional environment where great things happened daily.

While we experienced success in many areas, we continued our focus on math, reading and integrating the arts. We were the recipient of the Distinguished Arts Program Grant, which exposed our students to a variety of different cultures and art forms. For example, through our artist in residence programs, our students were exposed to Japanese Art and Culture with Yoshiko Moon, puppetry with Gina Bean, storytelling with Tim Lowery, and dance with Nancy Alvey. Sean and Melanie Layne, nationally known presenters from The John F. Kennedy Center for the Performing Arts, provided four days of intense staff development to explore and define characteristics of arts integration. As a school, we set the stage for our students to experience units of instruction that integrate music, art, dance, and theatre. This was a tremendous opportunity for teachers to integrate the arts with the core curriculum.

We continuously assessed student performance to help guide our instruction and use test data to target specific student needs. We continued to provide computer aided instruction through FastMath and Success Maker. IXL was an additional computer program that allowed students to review and practice math skills at home and school. We continued the Roscoe Reading Program, where students were recognized for reaching individual reading goals.

Technology continues to be a primary focus for our school. One computer lab was upgraded and four additional computer labs were installed. All labs currently have headphones, printers and scanners for student and teacher use. This upgrade allowed each grade level access to a computer lab. This addition gave us a total of 7 computer labs, as well as SmartBoards, computers, Elmos, and Airliners in all classrooms.

PTO continues to be a crucial component to our success as members volunteer numerous hours to help our faculty, staff, and students. During the 2010 – 2011 school year our volunteers donated over 1300 hours of service. The PTO, community members, and parent volunteers add a lot of character and truly make Bonner paradise.

For the 2011 – 2012 school year we will open our first choice option, "Bonner's Academy of the Arts". Approximately two hundred and thirty children will have the opportunity to demonstrate their learning through multiple art forms. The students will engage in a creative process which connects art form and the core curriculum.

Through our shared purpose, vision, commitments and goals, the Bonner staff, parents, and community will continue to work diligently to ensure every student's success in 2011-2012.
