REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Thornwell School for the Arts is proud to be a part of the Darlington County School District. A progressive district invested in the arts and committed to the programs at the schools in the district. Thornwell is a unique school nestled in the center of town. With a population of about 330 students in grades 1 – 5, this arts integrated school exposes children to the visual and performing arts.

The Thornwell PTO, business partners, mentors, and staff contribute to the energy and commitment to academic success for all students at Thornwell. During the 2009-2010 school year we reached our goal of achieving Adequate Yearly Progress (AYP). We were recently named an Arts in Basic Curriculum School and also chosen to be a part of the Comer Child Development Model. Our staff has been trained by Dr. Comer and his staff from Yale University and will continue to participate in staff development during the 2011-2012 school year. We also received a Teacher Incentive Fund Grant and will be a part of the Teacher Advancement Program founded by the Milken Education Foundation.

Many exciting activities were held throughout the year for the students and their families at Thornwell School for the Arts. Several musical performances including a winter concert and a Black History Month Program delighted all who attended. The string's students also held a winter and a spring event in which the third through fifth graders amazed the audience with their talent. The magnet students also performed Disney's, The Jungle Book to several of the local elementary schools, district staff, community members and their families. The show was a huge success. The students also participated in a talent show. Perhaps the funniest day of the year, "Fun in the Sun" Day, marked the end of school year and testing.

Without a doubt, Thornwell School for the Arts is "Setting the Stage for Excellence" for all of the students today and in years to come. We welcome you with open arms to be on this stage and to assist us in making our students dreams come true.
