Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our School Improvement Council meets to review the school's performance based on goals and objectives found in the Sterling School Strategic Plan. This is a group of dedicated parents, teachers and community members who work together to ensure the highest levels of performance are realized by all members of the Sterling School Community.

Sterling School is home to two programs: Sterling Elementary, serving students 4K-4th grades, and the Charles Townes Center, a select program for highly gifted students (grades 3-8). The programs operate within a single school and are guided by unified beliefs, vision and mission. Across both programs, skills related to student collaboration and teamwork are developed by means of "hands-on", inquiry based instruction, integration of the arts, and intense focus on research and utilization of technology. Resources are shared between programs, and all students are offered opportunities to engage, challenge, and mentor each other in a manner that is culturally/personally affirming and academically rich. Our priority is to create a sense of community where each individual understands that he or she is respected and valued.

The School Improvement Council has guided and supported the school through strategies to support these programs. The goals included a focus on the following areas:

- Assessment
- Writing, English Language Arts, & Math
- Technology Integration
- Leadership
- Connection with the community

Sterling PTA concentrated efforts this year on reaching out - to the school community and the neighborhood community and the Greenville community. There was phenomenal success in the area of community involvement through our PTA Programs. In September, the League of Women Voters helped increase awareness about legislative issues through a voter registration drive. In January, we hosted our first ever Health Fair in an effort to support the health of our families and community. March brought the biggest community event of the year - the first ever Go Green with Sterling - with about 400 people coming out! The night was a culminating event for March Recycle Madness, a recycling drive that resulted in thousands of items and a ton of paper/cardboard. PTA conducted a book drive that brought nearly 1000 books to create summer reading collections for students in the surrounding community.

We are proud to announce for the third year in a row, Sterling has had our Teacher of the Year, Linda Reynolds, selected as one of the Top Ten in Greenville County. Lastly, our School Nurse, Maryanne Rapp was elected as the State LPN Nurse of the Year. Please check our website for additional information and our Strategic Plan.
