REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Bethune Elementary School had many successes during the 2010-2011 school year. To do this, we focused on closing the achievement gap using a variety of best practices driven by our curriculum standards. We successfully implemented the use of laptops in classrooms for A+ Learning. We also hired one instructional assistant through our Technical Assistance funds. She worked with small groups in all grades.

Students were divided into small instructional groups according to MAP RIT bands three days each week in either the Success Maker Computer Lab or in small groups with teachers and our instructional assistant. Students also used laptops in the classrooms to work on individual areas of concerns throughout the day. Our laptops are also used as class sets for teacher directed research projects. We continued using data notebooks during vertical planning, and Child Study Team meetings as a tool to analyze academic data of students.

We held many motivational events to encourage students, parents, and staff during this school year. We held a Christmas Musical which was well attended by the community. We have awards programs each nine weeks to celebrate student accomplishments. Our Science Lab teacher implemented a recycling program for our teachers and students. Bethune Elementary hosts the annual Bethune Chicken Strut Beauty Pageant in our gymnasium. We have Reading Buddies who come in each week and read with targeted students. The PTO consistently supports school activities—sponsoring a Friday fun day at school and a field trip for students meeting nine weeks and other end of the year goals. We continuously have great support from our school community.
