Percent satisfied with school-home relations	82.8%	88.5%	87.7%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

High Hills Elementary, a Title I school, provides students in grades four and five a great place to learn. Our student enrollment is made up of military dependents from the nearby Air Force base and students from the surrounding rural community. We have a highly transient population; however, our school and district personnel, parents, community members and students work together effectively to create a positive and inviting learning environment.

Our teachers use district-wide unit plans which address state standards and provide students with critical thinking and problem solving activities. This year, our teachers have attended a number of workshops, based on Balanced Literacy and Math Solutions. Our language arts teachers are in a literacy class, which offers various approaches to teaching reading strategies. Our mathematics teachers work with the math coach for weekly planning. We continue to utilize educational research and test data to focus on programs that will help increase student achievement. We have an enrichment teacher to work with students in small groups to address our weaknesses in English/Language Arts. Our weekly schedule also includes programs such as Accelerated Reader and computer lab. Child Study, volunteers, and parenting workshops are examples of other programs in place to meet the needs of students at High Hills.

Although our school goal of every child scoring proficient or advanced on the PASS has not yet been attained, our students have made progress in all subject areas. We will continue to utilize research, involve our parents and community members, and focus on appropriate academic planning and instruction to improve the achievement of each child attending High Hills Elementary School.
