Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Bellevue Elementary School is home to 450 diverse students ranging from four year old kindergarten through fifth grade. Our faculty consists of over 40 highly qualified teachers, 80% of which have post graduate degrees. We are located in the city limits of Rock Hill, South Carolina.

The 2010-2011 school year was a very exciting and gratifying one for our school community. For the third year in a row, Bellevue was awarded the Palmetto Silver Award for Closing the Achievement Gap. We were also recognized for the first time as a Palmetto Silver Award recipient for Overall Academic Achievement. In October we were announced by the State of South Carolina as its Distinguished Title 1 School for Closing the Achievement Gap. We were honored to attend the National Distinguished Schools Conference to represent South Carolina.

Another encouraging first for Bellevue this year was our inaugural full-day four year old program. Bellevue became the first school in Rock Hill Schools to offer this to twenty of our at-risk students. Due to the success of our program, three other Title 1 schools in our district will offer this to their students during the 2011-2012 school year. It is exciting to know that the successes of our school are paving the way for the future successes of other schools.

Our School Improvement Council and PTO continue to be strong advocates of the vision of our school. Our parent involvement has increased over the past few years and we have been able to implement several new initiatives. We had a record number of parents volunteer, attend programs, and participate in family activities such as Lunch and Learn and All-Star Math Night.

Bellevue continues to offer several programs for our students to be successful outside of the classroom. Over 20 girls in third through fifth grade participated in Girls on the Run, a program that promotes a healthy lifestyle and good citizenship. Trailblazers, a program for fifth grade students, is designed to build cooperative skills and instill a team first approach to life. Wildcat PRIDE is a mentoring program for students in Kindergarten through fifth grade. Students are paired with a faculty member to set both academic and social goals. The mentees work towards earning incentives by meeting their goals each week. This year we also started a dance club for second through fifth grade. The students learned many different forms of dancing and the history behind the dancing.

This year our students fulfilled their civic responsibilities through service learning by raising money for the American Heart Association, The Leukemia Society, and the Cystic Fibrosis Foundation. They also raised money for the victims of the devastating earthquakes in Japan.

We are very encouraged with the course we are taking at Bellevue. We offer our students a rigorous core curriculum in a very nurturing environment. Our students are developing a global perspective that will help them as a 21st Century Learners. Bellevue continues to be a wonderful place to teach and learn!
