REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Riverview Elementary School is located in the suburban town of Fort Mill, SC. Traditionally, student growth has been limited because of the attendance area it serves. However, even with the recent down turn in the economy and housing industry, Fort Mill has continued to experience positive student growth. At Riverview Elementary, we have experienced unprecedented fluctuations in our student population numbers due to enrollment caps that were placed on two neighboring schools in our district. In the upcoming year, we will again have the opportunity to welcome new students from the Gold Hill Elementary attendance zone due to an enrollment freeze at their school. We are excited to have those new faces joining the Riverview family!

Much of the growth in Fort Mill has been attributed to the lure of quality schools for the business employees and professionals of nearby metropolitan Charlotte, NC. The drive to the city of Charlotte is less than 15 miles. Fort Mill has been deemed by many as a "bedroom community" because of the large number of residences made up of people who work in Charlotte. The close proximity of our district to Charlotte and Rock Hill, SC has provided our students and staff with opportunities of nearby colleges, museums, science centers, farms, libraries, parks, etc. Riverview Elementary School has an enrollment of over 500 students. We have classes ranging from Kindergarten through 5th grade and self-contained special needs classrooms. Additionally, Riverview houses the school district's only four-year-old half day Kindergarten program. Riverview is characterized by a strong sense of community. Our strong sense of community leads naturally to the desire to give back through community service such as Red Cross, Fort Mill Care Center, American Heart Association and our partnership with Fort Mill High School. As a result of these and other programs, we are developing leaders among both our staff and our students. Riverview's unique status as a Professional Development School, partnering with Winthrop University, enhances our staff, staff development, and resources. We have also been selected by the South Carolina Department of Education as one of eight RTI (response to intervention) demonstration sites.

Our facility is a one-story structure, which opened in 1974. Renovations in 2000-2001 have given the interior a "new school" appearance. Nineteen new classrooms and a new gym were added to the existing building. Every existing classroom was upgraded with painting, cabinetry, and carpeting. The office area was completely remodeled as well. Student work, school colors, murals, and our rocket logo adorn the hallways of the school. We have a large gym, extensive media center with an AV studio, art room, music room, courtyard with butterfly garden and outdoor class space, three playgrounds, and two gifted and talented classrooms.
