Percent satisfied with school-home relations	57.6%	88.6%	71.0%

*Only students at the highest high school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2010-11 school year was another successful year at Manning High School. There were 26 honor graduates in the class of 2011, which means that 19% of the graduating seniors earned at least a 3.62 cumulative average during their high school careers. Students earning a state High School Diploma are required to have 24 units. Thirty-four percent (34%) of the senior class, a total of 56 students qualified for either Hope or LIFE Scholarships, which will provide \$2,800 - \$5,000 per year towards college at any in-state institution, provided students are able to maintain a 3.0 grade point average in college. Four students in the graduating class of 2011 qualified for a Palmetto Fellow, earning \$6,700 towards their college tuition. Students in the class of 2011 earned approximately \$4,000, 112 in scholarships to post-secondary institutions.

Manning High School continues to have success with the College Credit Program through Central Carolina Technical College. The college credits earned by our students will transfer to any public or private college in the state of South Carolina and to many colleges outside of the state. A total of 33 students attended college classes this past school year at no cost to the student or parents. We are very proud of our partnership with Central Carolina Technical College, which enables us to provide this valuable program to our students.

Manning High School continues to utilize the APEX Learning System in our school to assist students. APEX Learning can also be referred to as Credit Recovery, which allows students who have failed a course to retake the course via Internet. We are striving to increase graduation rate and lower our failure rate by utilizing this program. The program is offered during the school year and during summer to all of the students in need.

Manning High School continues its commitment to keeping this school on the cutting-edge of technology in the state. Computer labs, mobile computer labs and media center computers are equipped with wireless high-speed internet connections. Every classroom continues to be equipped with high-speed wireless connections as well. Over 85% of our classrooms have plasma screen televisions that are utilized during instruction. Eighty-one percent (81%) of our classrooms utilize SMARTboards and Promethean ActivBoards, increasing student participation and accountability in the classroom. Manning High School continues to improve the school facilities, undergoing approximately \$284,750 worth of renovations that will modernize our facilities to better serve our students, staff, and community.

I am pleased with the support the community continues to give to Manning High School. We are always open to suggestions, and we encourage anyone to give us input to improve our school to contact us.

J. Preston Threatt, Principal
Mrs. A. Calvin, SIC Chairperson
