Percent satisfied with social and physical environment	96.3%	82.2%	66.7%
Percent satisfied with school-home relations	84.6%	80.0%	70.3%

*Only students at the highest high school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

It is the mission of Lake View High School to develop life-long learners and responsible, productive members of society by providing academic, social, and emotional skills through cooperation of school and community. With this mission as the center piece, LVHS is proud to present to parents, teachers, students, community members and the South Carolina Department of Education a year in review 2010-2011.

Student test scores continue to improve. Many new opportunities are in place at Lake View High School, providing our students with new avenues to excel. Students are still provided more and more chances to develop their skills through programs such as The Accelerated Reader, laptop computers, palm pilots, SAT workshops and software packages for remediation and enrichment. With the new partnership with Northeastern Technical College students are now able to receive dual credit, college credit as well as high school credit that is. This new articulation agreement will allow students who successfully complete certain course work a head start into their next level of education beyond high school. The faculty and staff continue to reach high levels of self-growth through professional development in technology, instruction delivery, and knowledge of standards to continue to improve student academic performance. Our School Technical Assistance Team, school based "learning communities" and School Improvement Council strive to work together to provide research based opportunities for improving teacher skills and strategies.

There were many student successes in the classroom for the 2010-2011 school year. Thirty percent of the 2011 graduating senior class of Lake View High School were eligible for LIFE Scholarships. (20 students out of 64) LVHS 2011 senior class had the impressive amount of \$730,500.00 worth of scholarship money, \$269,500.00 less than a million dollars. Several students made 100 on the End the Course Exams in English I, Algebra, and Physical Science. LVHS International Club was the 2010-2011 State Award Winner For the Pee Dee Area Community Adopt-a-Highway Program. LVHS Marching Band was a 2010-2011 SC State Finalists. LVHS Baseball Team and Softball Teams were the 2011 Lower State Champions.

Academic achievement was the major priority for Lake View High School in 2010-11; another important issue was providing the necessary finances for updating and upgrading the school's facility. There were 3 major fund-raisers to help with the beautification of our school facility. Powder Puff Football Game, Basketball Extravaganza, and the LVHS Walk of Champions Bricks

In the face of this challenging time, we continue to have obstacles that have a direct impact on our goal of providing educational excellence. Teacher recruitment, financial concerns, student apathy, parent involvement, professional training, and community support are serious issues to be addressed. Discipline/Attendance issues, inadequacies in our school facilities and a poor economic base create a negative tone for achieving our goals. We are determined to find new innovative methods of using our limited resources to help each and every child succeed.

To provide each of our students the highest quality of education, the talents, strengths and skills of students, parents, teachers, and community members must be combined and used to enhance academic and social success. It truly takes, "All hands working together to increase Student Academic Success." Lake View High School is committed and determined to provide a quality education which rewards our community with citizens that
