REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Highly effective teachers, challenging, rigorous curricula, and engaging, technology-driven, student-centered instruction make Spaulding Middle School a great place for students to achieve at optimal levels. This continues to be our driving force as we increase student achievement in all areas.

We are excited about the gains our students are making! During the 2009-2010 school year, we increased our absolute rating to "average" on the School Report Card. In addition to receiving "excellent" on our improvement rating, Spaulding Middle School met 17 of 17 objectives and made Adequate Yearly Progress (AYP) as outlined in the federal mandate of No Child Left Behind. As a result of these accomplishments, Spaulding Middle School received a Palmetto Gold Award for General Performance and a Palmetto Silver Award for Closing the Achievement Gap from the SC Department of Education.

On-going, authentic professional development has been an integral component of our goal to provide quality instruction to our students. Teachers participated in weekly professional learning communities to collaborate and plan instruction. In addition, teachers attended local, state, and national professional development sessions. Teachers continue to facilitate high quality, engaging instruction for our students.

Benchmark testing in ELA, math, and science continues to be a strategy used to measure student progress and provide data on student instructional needs. Measures of Academic Progress (MAP) was administered in ELA and math three times this year. Students participated in individual conferences with teachers to discuss test results and strategies for academic growth. In addition, targeted students were provided with the opportunity to use COMPASS Learning, a computer-based program, to address areas of weakness in math and ELA.

Our students are also excelling in extra-curricular activities. Our football team and the boys and girls basketball teams all had successful seasons. The academic challenge team represented our school well in all of its matches and demonstrated excellence in the regional conference. Our top achieving students became eligible for membership in the Junior Beta Club. Our award winning music program continued to offer performing opportunities for our students.

Spaulding Middle School, a Title I school-wide site, is committed to providing the children in the Lamar area with a high quality education. We will continue to work toward that goal and welcome the support of community and business members.
