REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

"CHOICES" is in its 9th year as a charter school with charter agreements with both Florence District One and Darlington County school districts. "CHOICES has a target population of students ages 12-17 who have been expelled from school or dropped out. Our goal is to provide an education that will transition them to become life-long learners and to possibly return to a regular traditional school, if possible and appropriate. "CHOICES" is for practical purposes an Alternative School and should be compared to other Alternative Schools.

"CHOICES" provides a foundation for continuous learning through classroom instruction, service learning, project based learning, and on-site construction training. Character training is the cornerstone for "CHOICES," as the students are given the opportunity to discover the greatest possible understanding of self. They are exposed to individual, personalized learning with a strong emphasis on work ethics and job skills.

The mission of "CHOICES" Charter School is to provide a learning environment that links school to work experiences by making the right choices and staying in school. "CHOICES" was originated by a retired police chief from the City of Florence, who saw a need for a school for divergent learners who were roaming the streets and demonstrating behavior problems that were getting them expelled from school. "CHOICES" is the only alternative after expulsion besides the streets or incarceration.

"CHOICES is located in Darlington County, adjacent to Florence County, in the middle of 130 acres of forest on Black Creek. The property is owned by Central United Methodist Church. "CHOICES" leases eight acres for one dollar per month for the school location. Student enrollment has remained small intentionally for a total of 45 students.

There is one certified teacher and teacher's assistant per 15 students, with additional assistance provided by retired professional people in the community who volunteer. "CHOICES" has incorporated a Pre-GED component for students who cannot return to high school. These students will pursue the GED when they turn 17. "CHOICES" has also incorporated a Vocational Educational component for all grade levels.

"CHOICES" has adopted a progressive discipline system that ensures good communications with other schools, relative to student behavior.
