## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

North Middle High School, located in the North area of Orangeburg County, is a 6th-12th grade middle/high school with an enrollment of approximately 315 students. We have a student body that is very diverse in culture with 54.5 percent African-American, 45 percent white, and 0.5 percent of Hispanic heritage. Our school mission is to educate students in a rewarding, safe environment where everyone can learn to become productive citizens. We must create a positive and safe school environment where students, parents, staff, and community work together to provide opportunities for students to reach their maximum potential in an ever-changing world.

North Middle High School is a Making Middle Grades Work (MMGW) and High Schools That Work (HSTW) site. All teachers are trained in the utilization of "best practices" to increase the academic success of each student. Students participate in the Accelerated Reader Program and teachers utilized the Voyager, TransMath and Inside Algebra programs to increase literacy and numeracy levels.

During the 2010-2011 school year, we continued to have high expectations for students. A variety of assessments were utilized to improve instruction. North Middle High School is excited about the successes that we have made in continuing to improve the instruction to meet the needs of our students. Our faculty and staff gained knowledge through several staff development sessions including strategies for direct instruction from book studies. We continued the use of data walls to promote student achievement. The Advisor/Advisee program and students performing service learning projects assisted with their social development.

The School Improvement Council/PTSO continues to work to increase parent and community involvement by having Family Nights each nine weeks. The school strives to keep parents and community informed through monthly parent newsletters, articles in the local newspaper, our school webpage, weekly parent contacts, and our telephone dialer system (Blackboard ConnectEd). The Youth Specialists continue to help with the development of our students.

Students and teachers from North Middle High School have been highly recognized during the 2010-2011 school year. Several students received Honor Roll. The students' community outreach projects consist of the March of Dimes, American Cancer Society Relay for Life, and visiting the nursing home.

As we look forward to the new school year, the collaborative work of everyone on the team continues to strive for success.
