Report of Principal and School Improvement Council

Chicora is a Communications Magnet School, the only one of its kind in the district. "Excellence is our Standard" is our motto, and our theme and focus is communications in all types of media. In 2012, Chicora has been recognized by the State Department as a Palmetto Silver Medallion winner for substantial improvements over the last three years. Chicora was also recognized by the State Department as a Red Carpet School in 2010.

An energetic, highly-qualified, enthusiastic faculty and staff are keys to the success at Chicora Elementary School. Important parts of our continuous plan for improvement is relevant monthly staff development that addresses the specific needs of Chicora, as well as, reduced class size that allows teachers to give extra attention to individual students. We evaluate our programs' strengths and weaknesses based on MAP scores, PASS, surveys, and other data.

We will continue with our school-wide reading program, the 25 Book Campaign, which includes a reading celebration in May. A highly effective parenting team continues to develop good home/school relationships. Our mentoring program grows every year. Our goal is one mentor for every child. We have formed many partnerships. One of them is with Wings, which provides a quality after-school program. We are also a Charleston Promise Neighborhood school which has provided our students and families with additional resources.

An updated state-of-the-art computer lab with a certified teacher has been an asset for the school and community. At Chicora, we utilize technology to enrich and increase student achievement in all academic areas. Every classroom has a Smartboard and an enhanced sound system. The fifth and fourth grade teachers are excited that their students continue to progress with the Read 180 and Read About programs, two unique reading programs that integrate technology, English Language Arts, and the content areas. Successmaker, a reading and math technology program, is used in second through fourth grades. We also have the Literacy Pathways for students in kindergarten to third grade who are struggling in reading.

The principal continues to have an open door policy to help ensure a school climate that is friendly and inviting. Chicora has a talented, dedicated faculty and staff who work hard each day to provide meaningful experiences and lessons for our students. The students' potential is great, and we strive daily to unlock that potential and help all of our children become successful. We recognize that students will rise to exemplary performance with high expectations, and that is what we demand for and from the students at Chicora School of Communications.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
