Report of Principal and School Improvement Council

J. C. Lynch Elementary School has had an amazing year of “New Growth – New Beginnings”! This year we were proud to receive the SC Palmetto Silver Award for general performance in academic achievement, having an absolute rating and growth rating of average. For the second consecutive year, the school received the Fresh Fruits and Vegetable Grant from the SC Department of Education. This grant provided students an additional serving of a fresh fruit or vegetable during the school day. Students were able to taste common fruits and vegetables such as carrots and grapes as well as the little known cauliflower and kiwi.

Our students were challenged to excel in many areas. Thirty-three students, who scored exemplary on three areas of the PASS tests, were treated to a trip to Wonder Works at the beach. One of our third graders made a perfect score on the PASS Math test. With the Perfect Ten and No Tardy Party attendance incentives, our daily student attendance improved. The school held its first school-wide Spelling Bee and Science Expo. Our students were careful, yet quick, thinkers when we held the Geography Question of the Day and Mad Minute Math Masters programs. Opportunities in the fine arts were also available with selected students dancing with a ballerina from Brazil, acting in the musical, “The Snow Queen”, performing in various concerts with the High Flyers Choir, and receiving specialized instruction in creating with clay. Many of our students received awards throughout the year for Superintendent’s and Principal’s Honor Rolls. We celebrated our students who achieved their MAP goals and made significant gains from fall to spring with various incentives.

Providing activities to improve parent and community involvement played an important role to this school year. PTO was re-activated and sponsored the Fall Festival, a Spaghetti Supper and even a Sock Hop! A parent liaison was named and two business partners adopted the school. Student art work was also displayed in local businesses. Academia Para Padres, a program for the parents of our Hispanic students, was started to teach basic conversational English and provide academic assistance to their JCL children. The generosity of our students and staff helped to support a 5K Walk and Run for a faculty member, Susan G. Komen For the Cure, Jump Rope for Heart with the American Heart Association, and the food pantry at Bible Temple in Coward.

The JCL bees were certainly busy this year keeping our “hive” alive and upholding our mission of “Growing the future one mind at a time”.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
