Report of Principal and School Improvement Council

Brook Glenn Elementary, a small community school, is truly a place where children grow and learn in a safe nurturing environment, guided and supported by a talented and caring staff. Brook Glenn prides itself on fostering good character and respect. It enjoys the partnerships of parents and the community in promoting these traits. We proudly serve a diverse student population of students from preschool to fifth grade. A staff of highly qualified teachers is committed to providing our students with educational experiences using best practices in all content areas. Brook Glenn is proud of earning AYP status and recognition as a Palmetto Silver Award recipient. Our teachers are dedicated and our students are diligent. Our mission is to educate all students through high expectations, quality instruction, and allow students to spread their wings and Soar to Success. Our curriculum is designed to meet state standards with classrooms equipped with Internet accessible computers, Promethean Boards and Activotes. Students are engaged in rigorous standards-based learning activities, have access to a science lab, computer lab, and 2- mobile laptop labs to increase problem-solving skills, computer literacy skills, and create computer-based projects that connect to classroom activities. The school is organized to ensure a family friendly environment. Parents, local businesses, organizations, and community participation is encouraged and welcomed. The school has an active PTA, GAC (Guidance Advisory Council) and School Improvement Council (SIC). The educational support is invaluable to our success. Our joint efforts include sponsoring educational events, holding evening activities for the entire family, funding field trips, and providing teacher grants and classroom instructional needs. We believe that education should focus on the whole child and provide leadership opportunities, academics, physical, social, and emotional development. We exercise the mind and body. Together we provide a safe and challenging learning environment which affords students a sound foundation for the future and encourages pride, respect and a love of learning. Our special area programs include PE Mileage Club, Morning Hip-Hop Exercise, Morning News Show, Chorus, Good News, SCORE, and Art Clubs. Student support activities include Terrific Kids Program, Guidance Clubs, Student Council, and Safety Patrols. Our academic activities consist of student –led conferences, an organic garden, Math Olympiads, and mentoring / tutoring from local colleges, universities, and high schools students. Our students are proud to be Brook Glenn Eagles; and we are proud of them. We believe it takes a community working together to ensure academic success so all Brook Glenn Eagles can “Soar to Success”.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
