Report of Principal and School Improvement Council

Welcome Elementary continued to provide many opportunities to students for academic success. Class sizes in third, fourth, and fifth grades were reduced using School-wide Title I funds. Through state funding, first grade class sizes were also reduced. A before- school "Breakfast Club" program funded School-wide Title I offered students in second through fifth grades academic assistance and acceleration. Welcome implemented the Response to Intervention reading program in kindergarten and first grades, and the Fast ForWord computer intervention program at all grade levels. Instructional technology continued to expand with opportunities for students to utilize software targeted to students' individual academic needs including CompassLearning Odyssey, English in a Flash, and Raz Kidz. Students were involved in technology research projects that allowed them to blog, vlog, and document their research with flip video cameras. Several virtual field trips were experienced including trips to Ellis Island, the Smithsonian Institute, and a botanical garden. Promethean Boards were used in all classrooms to engage students in their own learning. Positive Behavior Intervention Supports (PBIS) were put into place to bring about positive discipline and reinforcements in our school. Our plan for teachers' professional development addressed the continued implementation of programs to assist students in reading and mathematics. Every Day Counts Calendar Math is a school-wide math program that promotes the mastery of math skills. Teachers were trained in hands-on math partnering and student engagement through games. Other professional development opportunities included 4-Block balanced literacy, Learning Focus strategies, Quality Tools, technology updates, and Tools 4 Literacy. Parent involvement efforts continued to improve with a base of volunteers dedicated to helping our teachers with non-instructional tasks such as copying and laminating. Our school website was consistently updated providing parents with timely information and students in action. "Take-Home Mondays" for all teacher-student-parent communications were an expectation as well as sending home newsletters from classroom teachers, the principal, and Title I. The automated school messenger for upcoming dates and important information was used weekly. We continued to provide opportunities for parents to be involved in their child's learning through PTA sponsored events such as Reading Night, Math Games Night, Showcase of Talent, and the Christmas music program. A number of School-wide Title I funded parent meetings on topics such as Homework Help for your Child, Disciplining with Love, Home Health and Nutrition, How to Apply for Medicaid, and Dental Health were offered. Literacy events were targeted specifically for primary grade parents to support emerging readers. Through school-wide Title I funds, a full-time bi-lingual parent involvement coordinator was available to assist parents with volunteering, parenting issues, and involvement in the overall school program and educational decision-making process. At Welcome Elementary we believe . . . Every Child is a Star!

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>98.3</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Welcome Elementary School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
