Report of Principal and School Improvement Council

Ben Hazel Primary is recognized by the SC State Department of Education as a two time Exemplary Writing and Red Carpet award winning school. We take great pride in our instructional practices and in our family friendly environment. It is our sincere desire to ignite a love of learning and a sense of self-worth in each student.

Our school follows a Response to Intervention (RTI) model. Our goal is to continuously evaluate and enhance our core curriculum to ensure our students perform at or above grade level. We universal screen and progress monitor to effectively analyze our students' performance. From this data we plan professional development and targeted interventions for students. We were selected by the SC State Department of Education to serve as a RTI demonstration site.

Our school also utilizes Positive Behavior Interventions and Supports to continuously encourage our students. Ben Hazel Primary's faculty is a community of learners. We dedicate time to professional development and collaboration to learn and apply research based best practices. During weekly grade-level collaboration, vertical meetings, weekly study groups, school leadership meetings and school intervention team meetings we have focused discussions about curriculum, assessments, data analysis, and interventions. In all academic disciplines teachers engage students through explicit, strategic teaching. In science we provide hands-on experiences. In the arts Ben Hazel Primary partnered with the Hampton County Arts Council for the production of Jungle Book at our annual dessert theater.

At Ben Hazel Primary we are a team, and we believe everyone has a vital role. We are fortunate to have as part of our team a dedicated faculty, many involved parents, an active PTO, and a committed School Improvement Council. Our Hampton One Board of Trustees, business partners, and other supportive community members also significantly contribute to our school's achievements. We are all devoted to helping our students reach their greatest potential.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
