Report of Principal and School Improvement Council

Palmetto Bays Elementary School is located just off Highway 544 in the southwest section of the Carolina Forest Attendance Area in the Horry County School District. We are the Home of the Timber Wolves, our school mascot, and a place where "Students are Cherished and Challenged". At the conclusion of the 2011-2012 school year Palmetto Bays will have completed ten years of service to its community. Palmetto Bays is home to approximately 110 full and part time professional and support staff members who provide both general and special education services; child development classes; counseling, health, food, and transportation services; and after school childcare to just over 560 students in Pre-School through Grade 5. Students at Palmetto Bays benefit from the skills and experience of an outstanding staff. On average, professional staff members at Palmetto Bays have been teaching for 16 years. We are truly blessed to have an excellent combination of staff with one to forty-two years of experience in the classroom. The value in this is a rich mix of experience, skills, training, energy, ideas, and interests that combines to help us meet the needs and expectations of our students and their parents. In reference to education and training, over 60% of our staff members hold Masters Degrees or above and all engage in staff development activities each year which demonstrates a true commitment to their profession and a desire to excel. We are grateful that our district supports us in keeping our average student-teacher ratio at 23 to 1 and while we could always hope to do better, we are proud that our average daily attendance rate at the end of this school year stood at 95%. We are all aware that in order to be healthy, happy, productive citizens of the 21st century, we must strive for excellence in attendance, achievement, and attitude. To that end, building-wide students and staff strive to achieve three worthy goals: To be good citizens – treating everyone and everything with respect and responsibility To be good students – focused on learning and growing To be ladies and gentlemen – treating each other with kindness and care Our Parent-Teacher Organization and Community Partners help us provide a variety of extension and enrichment activities that support our annual learning and facility goals. Additionally, students can select from a number of extra-curricular offerings to challenge themselves and work with the school to build community. These activities include opportunities in the areas of broadcasting, technology including robotics, track and other physical activities, music, drama, art, leadership, science and community service.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
