REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Wright Elementary School is to support a positive, safe, nurturing community by providing an engaging curriculum that fosters excellence and a love of learning. Comprised of dedicated staff members, caring parents, and hardworking students, this mission of excellence has remained our focus as we have maintained an Excellent report card rating qualifying us once again as a Palmetto Gold School!

"Wild About Learning" became our driving theme for the 2011-12 school year. Our culture of learning, supported by high expectations for all, challenged our students to grow in character and self-discipline to achieve at their maximum potential. Throughout the year, book studies, professional learning communities, staff development opportunities, and peer observations allowed our faculty to continually strive to learn, grow, and maximize the effectiveness of their instruction and professional growth to ensure success. Continued focus was given to literacy across grade levels with the implementation of strategies from the Content Literacy Continuum, Write from the Beginning, and Six Traits. A focused book study targeted to help boys who struggle in school enabled all to closely examine best practices, motivation, mentoring, and active learning of boys to ensure ultimate success of this gender. Our much anticipated family curriculum nights allowed our community members to witness firsthand the "Wild About Learning" atmosphere experienced on a daily basis at Wright Elementary. Tremendous support and involvement at these events allowed students to showcase learning! Awards ceremonies throughout the year recognized students for academic excellence, attendance, exemplifying positive character traits, and other special accomplishments.

In addition to rigorous curriculum, high expectations for student achievement and relevant learning experiences, our students learned to be good citizens through participation in numerous community service projects. Students became "others minded" as they demonstrated active involvement in Relay for Life, Hats Off for Cancer, Jump Rope for Heart, March of Dimes, Souper Bowl of Caring, and our local community Sharing Tree. To further promote positive character, the PBIS initiative and Core Essentials Character Education program remained our focus. Student leadership opportunities such as Student Council, Safety Patrol, Media Mascots, Morning News Anchors, and our postal system workers were also designed to assist students in becoming responsible citizens. The partnership between home, school, and community is strengthened through continuous communication, community service learning projects, an active PTO and School Improvement Council, and tremendous community support! Our parents and community partner closely with us to ensure success for all. At Wright Elementary School, we are proud to be "Wild About Learning"!
