REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During the 2011-12 school year, Woodland Elementary School served 1167 students in grades pre-K through grade 5 from a variety of cultural backgrounds. Teachers worked diligently to provide learning experiences that engaged students in creative, rigorous, standards-based activities designed to help each child achieve to their highest potential. In order to better meet the unique learning needs of our students, teachers and administrators regularly participated in staff development opportunities designed to support our school goals and more effectively support and enhance our instructional program. These trainings provided the framework for quality teaching and learning, leadership, and teamwork. Student progress was carefully monitored and analyzed throughout the year through data collection in each grade level. Analysis of the individual and class data on a regular basis helped identify areas of strength, areas needing more emphasis, and individuals needing more specific interventions. The efforts of our teachers, students, and their parents resulted in recognition for our student achievement gains again this year. Woodland received a rating of EXCELLENT on the school report card and was awarded a gold award for general performance on PASS 2011 and a silver award for closing the gap. Additionally, MAP data (Measures of Academic Progress) also showed continued gains in the area of ELA and MATH; further affirmation of the hard work of our teachers and students. Looking forward, our challenge continues to be to more precisely identify and implement strategies to sustain our progress and meet individual needs as we move student achievement forward. Parental and community involvement is crucial to our success. Our PTA and SIC (School Improvement Council) are involved in key ways at Woodland. Their financial support, commitment to volunteer hours, and creative problem-solving abilities, enables us to enjoy access to opportunities and resources that would not be possible otherwise. We are, indeed, grateful for their generous support. The staff at Woodland remains committed to the success of every child and shares the belief that all children can achieve to their highest potential if provided opportunities, support, encouragement, and love. We remain committed to that end.

 John Miles, SIC Chairman
