Report of Principal and School Improvement Council

McCarthy Teszler School has experienced a successful 2011-2012 school year. We began the year receiving recognition as the District Seven Wellness Award winner. Our school, for the fifth consecutive year, has won the Golden Shoe Award for our Walk to School Day program. Our teacher of the year, Nancy Crowe, was recognized as the District Seven Teacher of the Year and represented us well during her reign. She was later named the Regional and State Adaptive Physical Education Teacher of the Year and the South Carolina Special Olympics Coach of the Year. We were fortunate to have Elena Ghionis join our staff as an autism support specialist and is the only Internationally Certified Autism Specialist in South Carolina. We worked on the development of a toileting training manual for students with intellectual disabilities and hope to publish it soon. Grants for innovative teaching strategies were awarded to six staff members. We partnered with the Deaf/Blind Project of SC and received services supporting our students with these impairments. Following our participation in the DDSN Legislative Luncheon we were invited to the State House in Columbia to be recognized by the members of the House of Representatives followed by a meeting and photo opt with Governor Haley. We were recognized as the regional Play 60 Grant recipient and in addition to our monetary award were favored with a pep rally by the Carolina Panthers, including Sir Purr, the TopCats and Panthers football players. Our students participated in the first JOY Prom sponsored by Wofford College. Our classes continue to interact with and formulate friendships with Buddy classes from local county schools. We have strengthened our curriculum through the development of a self-help skills curriculum and also began the development of a school wide behavior management program. We implemented a new workshop class which provided real life work skills opportunities for our students through a partnership with thirty local businesses. We enhanced our instruction through technology with the integration of smartboards, ipads and other adaptive devices into our instruction. In the spring we opened the second phase of our outdoor natural learning, play and sensory area where our students can interact and enjoy the beautiful outdoors in a safe and appropriate play area. We focused on county collaboration regarding services for special needs students. Through this process we were able to consolidate county programming which further enhanced services for students while providing for their instructional needs within the least restrictive environment. Medical and therapeutic services to families were provided through Children’s Rehabilitative Services, orthotic and wheelchair clinics. One of our students was recognized as the High School Special Olympian of the Year for South Carolina. McCarthy Teszler also champions the causes of Relay for Life, Multiple Sclerosis Society, United Way, Spartanburg County Food Bank, Miracle Hill Ministries, and Bearden-Josey Breast Health Center. We look forward to the new ventures ahead of us and we seek to provide excellent instructionally and therapeutic programming for our students.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	93.9
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

McCarthy Teszler School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
