REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Brashier Middle College is located on the Brashier campus of Greenville Technical College in southern Greenville County. With a student body of 400, teachers are able to form a closer connection with students and families. This relationship promotes the school's mission to prepare all students for college success and provide an opportunity for them to begin their college coursework while in high school. The Middle College model has proven successful for our students in each grade level as indicated in their college success rates. The 2012 graduating class completed nearly 1535 hours of college credit with a cumulative GPA of 3.2. Approximately 95% of these graduates will be attending a 2 or 4 year post high school program. During the 2011-2012 school year, the academic focus was placed squarely on college readiness skills that would help students not only transition to the college classroom, but also be successful mastering the Common Core State Standards to be implemented in 2013. The college readiness skills included "Problem Formation", "Research", "Interpretation", "Communication" and "Precision and Accuracy". As a result, Brashier students were more successful in their college courses, performed better on the majority of EOC Exams, and increased SAT/ACT scores. In the coming year, a focus on research and writing strategies will be seen in core content classes. Mission Statement: Brashier Middle College Charter High School's mission is to create a community where students strive for higher levels of learning. Vision Statement: The vision of BMCCHS is to positively impact communities by applying knowledge and influencing others.
