## Report of Principal and School Improvement Council

Improving instruction and student learning continues to be the focus of Saint George Middle School. We are working for increased achievement through an instructional vision based on five concepts. Rigor, collaboration, student engagement, being standards-based, being data-driven and student engagement are these concepts. Teachers and administrators have studied rigor and have begun uncovering the information within our data. Assessments have been rated in terms of rigor and data walls have been created. At the end of the year, we created data notebooks. Weekly collaborative meetings were held within grade levels as well as departments. The grade level meetings primarily centered on student behavior, grades and other student issues. The department meetings centered on instruction and assessment. Teachers presented their lessons and promising practices as well as recommendations were also discussed during the department meetings.

We at Saint George Middle School are completing our third year as a Making Middle Grades Work (MMGW) site. We were fortunate to have a MMGW consultant with us this year. The consultant helped us continue the implementation of the ten key practices of the MMGW program. The consultant also helped teachers reflect on their assessments as well as helped with creating teacher data notebooks.

Providing quality after-school activities is also a key to improving academics and student achievement. The 21st Century Community is the after-school program at Saint George Middle School. The main goal of this program is to provide a safe, nurturing environment for our students outside of traditional school hours. This program has four components based on academics, character education, extracurricular activities, and parental involvement.

The faculty and staff at Saint George Middle School continue to strive for improvement through collaborative planning, rigorous instruction, and standards based lessons as well as data-driven decision making.

Jeffery Scott Thompson, Principal  
Clint Lucas, School Improvement Council Chairperson

**ESEA/Federal Accountability Rating System**

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>95.9</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

**Accountability Indicator for Title I Schools**

Saint George Middle School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
