## Report of Principal and School Improvement Council

Sullivan Middle School continues to excel in a variety of areas. Our student achievement data indicates we are growing and performing at high levels. We were selected as a Palmetto Silver School for the first time in our school history. Our students perform countless hours of service to our community. We firmly believe a great school is more than test scores. We strive to provide our students with a supportive environment that allows them to reach their full potential in all areas. As an International Baccalaureate Middle Years Programme school, we employ a holistic approach to education. Our students must be prepared to enter high school, post secondary education and the workforce with the skills needed to be successful today. This includes an awareness of different cultures and something called "international mindedness". Our students will be working with people from around the globe and it is crucial we develop international mindedness in our students. Our MAP testing data indicates our students are growing more than the national norm. We are proud of this achievement and it reflects the hard work and dedication of our students and teachers. Our PASS data continues to improve and our students are performing at high levels in all areas. Several of our students won state level awards and one qualified for a national competition. Our 8th grade academic team was undefeated and won the district championship. Five of our students were selected to the All-State Choir. Our music programs continued to win awards throughout the year. We firmly believe in giving back to the community. Our Art Outreach class completed several projects for community agencies. We raised money for a variety of causes and completed projects for "Conkerr Cancer" and "Coast to Ivory Coast" among others. Our students are participating in a special military ceremony this summer. We have added a variety of options for our students in an effort to better personalize their education. We will be offering Mandarin Chinese as a language next year. This is in addition to our Spanish and French programs. We added soccer as a sport this school year, becoming the only middle school in our district to field a soccer team. We have continued developing ways to communicate with the community. We launched our student showcase website which displays the great work that is happening at Sullivan. We also have very active facebook and twitter accounts. Our Falcon News Blog provides our parents and community with information about all things related to Sullivan. We will be launching a video web channel this summer as well as creating a Sullivan Middle School app. We are proud of our achievements this year. Sullivan will continue to work hard to ensure continued success in all areas.

**ESEA/Federal Accountability Rating System**

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>97.4</b>
