REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Beck Academy continues to focus on a shared vision: to have a focused faculty, teaching an aligned International Baccalaureate Middle Years Programme (IBMYP) curriculum to a motivated student body to prepare them to be productive citizens of the global community. As a magnet school for international studies, we continue to focus on the whole child and pursue excellence in every facet of our school. This has been one of our most successful years ever. We received our first Excellent rating on our School Report Card and also won our first Palmetto Gold Award for General Performance. A Palmetto Silver Award was received for Closing the Gap as well. With 123 students qualifying as Duke TIP scholars, 99% passing English I End of Course, 97% passing Algebra I End of Course and many qualifying as Junior Scholars, the academic achievement of our students continues as an example of the quality instruction they are provided and the excellent support provided at home. We continue to provide support for our students with disabilities and serve as the Satellite middle school for students with Hearing and Orthopedic Disabilities. As we provide leadership opportunities for our students in Student Council, Beta Club, Green Team, athletics and fine arts, we continually emphasize the need to give back to the community. Our community and service program continues to grow and we have record numbers of students eligible for our community - service incentive program. We model this behavior school-wide by raising money for many local charities at various times throughout the year. This year some of the charities we supported as a school were: United Way, MDA, Make a Wish, Special Olympics, New Horizons and Goodwill. Our PTSA has won numerous awards over the years and we were pleased to continue great results in the PTSA Reflections Contest and with several membership awards. Our SIC continues to be invaluable as an advisory group and participates in developing our strategies to achieve our academic goals. This year they hosted a community meeting with local politicians to discuss political issues affecting education. Our business partners have grown in number and support and we continue to work with General Electric to premier a national math tutoring program designed to take math students to the next level of achievement. Our Athletics program continued to achieve honors with every sport making the playoffs. Our volleyball and both basketball teams made it to the district championship games. That was a first for our volleyball team. Our boys' soccer won its 2nd championship in 3 years and had its 1st undefeated season. The girls continued their 65-0 stretch with their 4th championship in a row. Our Strings received a Superior Rating and our band an Excellent rating at Concert Festival. The performing groups also had students in All-State, Region and County Honor ensembles. We had several students participate at the District's Juried Art Show, and the Drama program produced a wonderful performance of Dear Edwina. In the upcoming 2012-2013 school year, Beck Academy will continue to lead our students with a program of quality instruction that promotes rigor in the classroom, aligns instruction with South Carolina standards, uses data analysis to provide differentiated instructional strategies and grouping, and provides quality assessments.
