Percent satisfied with learning environment	94.5%	78.7%	70.7%
Percent satisfied with social and physical environment	92.7%	74.9%	75.8%
Percent satisfied with school-home relations	67.3%	77.5%	74.0%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The staff at Sims Middle School continues its efforts to provide our students with a high-quality education. Our students were provided diverse and rigorous educational experiences with high expectations and academic excellence as our primary goals.

The 2011-2012 school year provided many challenging and stimulating opportunities to move toward successfully accomplishing our school's goals. Our students, faculty, and staff experienced a great deal of success in academics, the arts, athletics, and various service-learning activities. SMS accomplishments included 9 students being recognized as SC Junior Scholars, 1 student being named Duke TIP Scholar, and 79 students being inducted to the National Jr. Beta Club. The academic efforts continued through our End of Course tests with averages in English I, Algebra I, and Biology I exceeding the state average in every subject. The SMS Wrestling team won the Peachtree Conference Championship, and our girls' softball team had an undefeated season. Our band, chorus, and orchestra received Excellent ratings at the South Carolina Concert Festival.

In the classroom, our teachers continue the refinements of their professional learning community by making steady improvement in the instructions provided to the students. What is more notable is how our entire faculty analyzes classroom and statewide test data in striving to find ways to improve student learning. Teachers used common planning times to collaborate and align instruction to state supported documents. Teachers analyzed test data in an effort to identify the academic strengths and weaknesses of individual students, and used this information to implement instructional practices that will lead all students to strong academic achievement.

Administrators and teachers consistently seek new instructional strategies that will enable them to move all students to their greatest academic potential. With the implementation of SMS Reads during our daily SSR time, we noted an increase in students' reading, as well as the number of books checked out in our library. Advanced level instruction was offered in ELA, Math, and Science. The daily schedule was structured in order to allow 6th and 7th grader more instructional time in ELA and math. Single gender classes were offered to students in order to promote improvement in academic achievement and behavior. In an effort to maintain a positive school climate, we continued to recognize students who exhibited good behavior with celebrations and field trips.

Sims Middle School is fortunate to have a new facility, and a caring community which provides support and assistance to our students and staff. We had a successful year and will continue to provide as many opportunities for success as possible. Our school is dedicated to helping students achieve both in and out of the classroom.

Melissa Gregory, SIC Chairperson
Mickey Connolly, Principal
