REPORT OF SUPERINTENDENT

In Dillon School District Four, our highest priority is to ensure a quality education for all students by providing opportunities that promote student success and life-long learning. There will be opportunities for improvement as we implement Year One Update of the five-year District Strategic Plan and prepare for the Palmetto Assessment of State Standards (PASS), High School Assessment Program (HSAP) and end-of-course exams.

Some of our accomplishments are:

- School Improvement Grant was awarded for grades 6-8 in the amount of \$2,176,456 over a three year period ending June 2013.
- Technology improvements included: promethean boards in many classrooms, wireless access at all schools, technology coach to provide training for teachers, the utilization of the ePortfolio System for teachers, podcasting, e-books, IP based television delivery, and providing a new email system.
- Twenty-one teachers have achieved National Board Certification (NBPTS).
- Professional development in implementing the Common Core State Standards.
- New Dillon Middle School (grades 6-8) opened August 2012.
- Renovations for Lake View High School (grades 9-12)
- Additional wing for Lake View High School (grades 6-8).

Below are barriers that prevent ongoing student progress:

- 88 percent of our students are eligible for free or reduced price lunch.
- Dillon School District Four is a rural community with a limited industrial base.
- New construction and renovations are needed for elementary schools.
- Implementing the No Child Left Behind (NCLB) federal requirements is to better serve all students.

Special thanks go to students, parents, staff, Board of Trustees, and the entire community for their hard work and support.
