## Report of Principal and School Improvement Council

The faculty and staff at Wallace Elementary Middle School continued to create positive learning experiences for all students. During the 2012 – 2013 school year we received several awards for student performance. The South Carolina Department of Education awarded us the Palmetto Gold Award for academic growth. This is the third year in a row that we have received a Palmetto Gold or Silver Award. We had one student score a perfect score on the PASS ELA portion. We had twelve students participate in the Sandhills Regional Science Fair.

Our culture of learning, supported by high expectations for all, challenged our students to grow in character and self-discipline to achieve at their maximum potential. Through professional development, our staff actively participated in activities to maximize the effectiveness in the classroom. The staff of WEMS participated at both the local and district level to ensure success. Early release Tuesdays were implemented to ensure a focused approach to that professional development. The Wallace Elementary Middle School Teacher of the Year was chosen as a positive representative of the highly qualified teachers employed at the school.

Our athletic program continued to compete in all areas including, basketball (boys and girls), softball (girls), baseball (boys), football (boys) and cheerleading (girls). The Academy for Physical Fitness and Healthy Living began its third year, offering physical fitness classes daily to all sixth grade students. Approximately 24 students in each of the seventh and eighth grade participated in a Fit4Life class on a daily basis.

Our students, staff, parents and community worked together to provide a strong partnership to foster a positive, supportive learning environment for all students. We will continue to seek new avenues to promote enriched instruction and a positive, supportive learning environment for all. We also look forward to being in a new school in the fall of 2015.

Janice Henson, Principal and John Davis, SIC Chairperson

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>71.4</b>
<b>Overall Grade Conversion</b>	<b>C</b>
